### Vote for Amendment No. 8 on November 8

One night last week we were in a meeting with one of the Bulloch County Farm Bureau chapters when the subject of peanuts and Amendment Number 8 which will appear on the November 8 General Election ballot, came up.

We heard peanut growers get up and express hope that the Amendment will be favorably voted by the people of Georgia when they mark their ballot that election day.

We learned that Amendment Number 8 says:

"For ratification of amendment to the Constitution so as to provide for the promotion of agricultural products."

We heard it explained—that it means, what it will do for the farmers of Bulloch County and Georgia.

Simply put, the amendment means that farmers would have a right to finance, and carry out programs to enlarge markets, develop new crop uses and otherwise sell more Georgia and Bulloch County produced commodities to the rest of the nation. This would bring more income to the farmers and more cash money into the economy of Statesboro, Bulloch County and Georgia.

It was explained how this agricultural "promotion" works in our neighboring state of Florida.

Back in 1935 Florida citrus growers were going broke by the hundreds. Oranges sold in New York for less than the cost of shipping them there.

Then the Florida Citrus Com-

mission was created by the legislature, financed not by taxpayers but by growers themselves. They set out through advertising and publicity to persuade Americans to eat more citrus products. They set out to build new markets in sunshine-short parts of the world such as Scandinavia. They found new ways to distribute orange juice—in cardboard, tin, aluminum and now even in those push-button squirt cans.

American consumption of Florida citrus grew from eleven pounds per person per year in 1935 to forty-five pounds per person per year today. Now the Florida citrus crop is worth \$400 million to the state.

That same sort of thing can happen in Georgia to the peanut industry, for instance. It would help promote the use of peanuts . . . peanut butter, peanut brittle and on and on.

Approval of Constitutional Amendment Number 8 on November 8 would be the signal for the farmers of Georgia to "take off" on vigorous promotions to increase their income.

We in the cities and towns can do this for our friends—we can vote for Amendment 8. It will not cost you, a taxpayer, a single dime. It will be financed by the farmers themselves.

We suggest that you vote "for" it on November 8. You'll win the approval and thanks of the farmers you know, and the farmers you do not know.

And in the end you'll profit too.

### Fire is an enemy

Because fire is such a destructive force when improperly handled or when conditions which nurse the possibility of fire are allowed to build up, our City Fire Chief Red Gay, this week—National Fire Prevention Week—urges the intelligent and determined individual and cooperative action of every citizen of Statesboro and Bulloch County to help reduce this needless destruction or our homes, our businesses, our forests.

Fire Chief Gay suggests that a diligent search be made about your home and your business to determine if there are any conditions which, if allowed to go on, might be the starting point of a fire.

Fire is an ever-present enemy, fight it every day in every way you can.

## DISCOVERY 1492-1960

By LAWRENCE E. HOUSTON JR.

**THE HEALING GOD OFFERS**  
IT IS A rather shocking fact, but good health is scarce today and poor health is rampant. Start out to receive a room in a hospital, count those who are sick, yet who remain at home; add those who are mentally ill, spiritually sick and heart sick. The total would astound us and prove that few of us are exempt.

There is a revealing and comforting sentence of Scripture found in the Book of Exodus which has to do with the wanderings of the Israelites. They have come upon the well of Marah, a basin some six or eight feet in diameter, with two feet of water in it. Thirst and thirst they begin to drink, only to discover the water to be bitter and salty. The people turn to Moses, and Moses turns to God. Upon instruction of the Lord, Moses takes a tree and puts it in the basin and the water is made sweet. Then the Lord says: "I am the Lord your healer."

THIS STATEMENT reveals to us that in the battle between ourselves and illness God is on our side. Disease is not the will of God for us. I wish we could understand that. It would give us a boost when we are sick, if we could believe that God wants us to get well.

But, having said that, we must hasten to say that physical health is not God's main desire for His people. The main desire is of the inner man, the desire to grow healthy bodies, but Christian characters. He wants us to get rid of all the diseases we can. When we can't, He wants us to use illness in the developing of Christian character. God permits disease as one of the conditions under which we can grow in likeness to Him.

With this philosophy the healing groups will violently disagree. However, one of the main problems in this area is to limit the healing ministry of God to the magical and the miraculous. We tend to forget that there are more miracles than merely the suspension of the laws of the universe. God often works His miracles through men.

SHERWOOD EDDY had weak eyes in his early life. At first he only prayed for better eyesight and refused to see a doctor. Nothing happened. Then he went to a physician and was

When people get sick they usually begin to pray. That is a good sign. Praying should be taken as a sign of health. Sometimes it will send you to a doctor; sometimes it will lead to a faith which conquers fear; sometimes it will make you say: "God be merciful to me, a sinner."

EDITOR'S NOTE—This is one of a series of articles entitled "KNOW YOUR SCHOOLS." It will be in the form of questions and answers. It's being sponsored by the Bulloch County Education Association. Questions are from parents and teachers in the county.

This week's questions are on the bus and transportation system of the county and the answers are provided by Mr. Leodel Coleman, in charge of the school bus system of the county school bus program.

Q. What is a school bus route?

A. A bus route is the shortest distance between the bus driver's home and the school where the bus goes in such a way that it comes within one-half mile of the home of every pupil that rides the bus. Each route is actually measured by a member of the State Board of Education. It is required by the State Board of Education.

Q. How many buses operate in the county and on how many routes?

A. In the 1959-60 school

MEMBERS OF THE Statesboro High School Blue Devil Band say "Thanks" in a voice loud and clear.

They have authorized the Editor's Uneasy Chair to make it a part of the permanent record of the county—their appreciation, that is.

So on behalf of all the members of the Blue Devil Band we say "THANKS" to:

The Crossroads Motel, The College Pharmacy, W. C. Akins and Son Hardware, Statesboro Buggy and Wagon Company, Fletcher - Cowart Drug Co., Stubbs Tire Company, Producers Co-operative Association, Paragon Restaurant, Statesboro Telephone Company.

Dr. Ed Smart Jr., Statesboro Auto Parts Company, Henry's Robinsons Packing Company, H. greatly helped. Ask any doctor how much he has to do with the art of healing, and he will say it is but a channel through which the healing mercy of God flows.

Also, the Christian faith gives us a healthy mind. We need healing here, as well as in the body. At Johns Hopkins a doctor examined fifty patients who complained of nausea, and he found that those who were free of tension doctors are now saying that it is more important to know what sort of patient has the disease than what sort of disease the patient has. Someone has well said: "A good dose of Christianity is what most of us need to get rid of the things which make us sick."

The healing of God is for those out-of-joint spiritually. A young woman sought to justify her sex license by saying: "But, it is all right if you can get away with it." If you can get away with it! But, that's the trouble—you can't feel the feeling of guilt is the germ which makes us sick. The Psalmist once confessed: "There is no health in my bones because of me."

NORMAN VINCENT PEALE tells a story in his book, "The Art of Living," of a man who was examined for physical illness. He was judged sound as a dollar. When his physician suggested perhaps something was bothering his conscience, he became enraged. Finally, he admitted he had stolen funds from his brother's business.

"When the choice is made," the physician, the patient admitted later: "I never knew what the word relief meant before."

When people get sick they usually begin to pray. That is a good sign. Praying should be taken as a sign of health. Sometimes it will send you to a doctor; sometimes it will lead to a faith which conquers fear; sometimes it will make you say: "God be merciful to me, a sinner."

EXCUSE ME a moment while I add hot water to my tub of water. Now I shall soak my poor aching feet a while longer, and read Georgia's Health Bulletin which the Georgia Department of Public Health.

"Our Poor Feet Are Neglected" is an article worthy of attention and especially fitting for those of us whose shoes don't fit (and by jingo, whose fault is it, if our shoes don't fit?)

LET ME QUOTE Georgia's Health Bulletin. "Often one notices a woman whose painful hobble is a dead giveaway that her shoes are too small. Some will insist that they take a flatfooted stride that says, just as plain as a painted signboard, that walking is a chore accomplished only on 'killing feet.'"

Children who live near the end of bus routes from two different schools may be sent to different schools because of crowding in one school, or a common road may be the shortest distance between the children which two different buses pick up.

Dear Sir:

After reading your editorial on "Our time-tested Democratic Primary System still best," I asked myself, "How do I know this to be the best system?" I now ask you how do you know this to be the best system?

I don't think you nor I are in a position to say or to judge on whether or not it is best as we in Georgia have never had the opportunity to cast a ballot in any two party election.

On the same page in your "Editor's Uneasy Chair," you are defending freedom of choice in the selection of a double take is this? I think the time has come when the people of Georgia, and other Southern states, should have a freedom of choice by having a two party system.

### Ambres Morris kills 8 rattlers

By MRS. W. H. MORRIS

On Wednesday last week Ambres Morris killed his eighth rattler this year.

This one had ten rattles and was about five feet long. He said the number of rattles on the eight snakes he had killed, ranged from three to ten.

The last one was killed near the home of Mr. and Mrs. M. C. Pajdett. Mr. Pajdett killed one about the same size, a few days before this one was killed, on his place also.

Mr. and Mrs. Lavern Sanders of Avondale spent last Sunday with their parents, Mr. and Mrs. H. N. Shurling.

Mr. and Mrs. Wayne B. Dixon, of Garden City, spent last Sunday with his mother, Mrs. Fanny Cribbs, and other relatives here.

Mr. and Mrs. Ben Sapp of Savannah visited Mr. and Mrs. Norman Sapp and Mrs. Esther Sapp several days last week.

Mr. and Mrs. E. L. McDonald of Denmark visited Mrs. D. L. Morris one day last week.

Mr. and Mrs. H. C. Kennedy of Savannah spent last Sunday with her mother, Mrs. D. L. Morris, and visited other relatives during the afternoon.

Mr. and Mrs. Ray Mobley of Sylvania, visited her mother, Mrs. D. L. Morris, last Sunday evening and Mrs. Morris returned to Sylvania with them for a few days' visit.

Miss Carol Morrison and Brenda Branch of Garden City visited Miss Lillian Morris last Sunday afternoon. They spent most of the day with Miss Lillian Morris.

Mr. and Mrs. W. G. Morris spent last Sunday with their parents, Mr. and Mrs. Cecil Ray, at Eldora.

Mr. Gary Jordan of Savannah visited his daughter, Mrs. James Morris, and Mr. Morris and Mrs. Morris at Statesboro.

Mr. and Mrs. Jerry Bean and son, spent the weekend with her parents, Mr. and Mrs. J. L. Morris and family.

SICK LEAVE  
Mrs. J. T. Beasley has returned from the Bulloch County hospital where she spent several days undergoing treatment.

Mrs. Attaway of Route 2, Stilson, has returned from the Bulloch County hospital where she had surgery on an infected hand.

MRS. B. B. HERRY of Savannah, has served as chairman of this area Study Committee. She has done a magnificent job in dealing with the problems as they have arisen.

Two of the area meetings have been held in Statesboro. Many of the problems of extending the area have been solved. Many others have been created for which a solution must be found.

It is my belief that this new council will best serve the interests of the girls in our area and it is my sincere hope that the people in our section will give the New Council their whole-hearted support.

**MIGHTY MITES**  
THURSDAY, OCTOBER 4

Blues 12 - Greens 0

The Blues, paced by Bill Hook and Greg Sikes, outlasted the Greens in a defensive battle to win the game 12 to 0. Hook scored the first touchdown for the Blues on a 20 yard sweep play around end. Sikes added the other score shortly thereafter on a 15 yard pass play from Hook. The extra point after each touchdown was no good.

Jim Tillman, Johnny Zetterow, and J. Ben Deal led the Greens' attack to stay alive in this hard fought game.

**TINY MITES**  
WEDNESDAY, OCTOBER 5

Gold 6 - Greens 0

The Golds were able to push over one touchdown as they slipped past the strong defensive efforts of the Greens by a 6 to 0 score. The touchdown came on an end around play by Michael Sikes early in the second half. The point-after-touchdown was tried but the carrier was held just short of the goal line.

The Greens put up a great battle against the Golds with hard tackling on defense and good blocking and running on offense. Donald Williams, Mike Clark, and Mike Kelly led the Greens during the game.

**REDS 12 - Blues 0**

The Reds held on to their first place position today as they rolled up a 12 to 0 score against the Blues. Tracy Lanier and Larry Boatman teamed up for the Reds scoring their only touchdowns with Lanier scoring first.

The Blues fought back both on offense and defense. The defensive team played on exciting ballgame holding the Reds from a scoring threat in the second half. The offense seemed to have an off day as they were unable to get the ball moving.

**REDS 13 - Blues 6**

The Golds moved into first place in the Mighty Mite league after defeating the Blues by a score of 13 to 6. Al Baldwin was the workhorse for the Golds scoring 12 of their 13 points. Baldwin's first touchdown came on a 30 yard run around end early in the first half. The extra point attempt was made good on a pass from Donald Long to Jimmy Sisson. Baldwin's second score came in the second half on a ten yard run around end with the extra point attempt falling short.

Jimmy Aldred came through for the Greens with their only touchdown in an attempt to win their first ballgame of the season. Their defensive team played an exciting game, but the offensive team just couldn't seem to penetrate that Gold line.

**TINY MITES**  
SATURDAY, OCTOBER 8

Gold 33 - Blues 26

The Golds moved into second position of the Tiny Mite league today when they rolled to a 33 to 26 victory over the Blues. Michael Sikes and Randy Waters were the powerhouse for the Golds as they shared the scoring honors. Sikes led with 19 points while Waters wasn't far behind with 14.

Dudley Johnson was the only Blue to enter the scoring column as he collected the entire 26 points. Will Page, Brent Buchanan, and Strick Holloway led the Blues on defense.

**REDS 14 - Greens 0**

The Reds captured first place in their league when they completely outpowered the Greens in their 14 to 0 win. Tracy Lanier scored the first touchdown in an attempt to win their first ballgame of the season. Their defensive team played an exciting game, but the offensive team just couldn't seem to penetrate that Gold line.

## Statesboro Midget Varsity Hinesville Midgets 20 to 13

By RALPH TURNER

Statesboro's Midget Varsity jumped into the top position in the District standings Saturday night October 8, as they defeated Hinesville 20 to 13. The league leaders rallied twice in the first half to give them a 13 to 0 half-time lead. The second half was a different story as Hinesville bouncing back with two touchdowns and one extra point while Statesboro added seven more points to their first half score.

Quarterback Wayne Howard scored in the second quarter on a 5 yard sneak play. The extra point attempt failed. Then Larry Deal intercepted a Hinesville pass and raced 52 yards for the second touchdown. The extra point attempt was good and Statesboro led 13 to 0 as the whistle ended the first half. In the second half Hinesville's fullback scored on a two yard plunge and a 60 yard sprint after receiving a ten yard pass from his quarterback. Hugh Rockett added the extra point and this gave Statesboro its fourth victory in five games.

Statesboro's offensive charts went like this: Wayne Howard picked up 104 yards in 10 carries for a 10.4 average. Larry Deal gained 89 yards in 10 carries for a 8.9 average. Bob Lane gained 58 yards in 6 carries for a 9.5 average and Hugh Rockett picked up 32 yards in 10 yards for a 3.2 average and a 7 yard per carry.

Statesboro's strong defense was as sharp as ever in stopping the Hinesville team. Several players scored in double figures of tackles. These statistics show both the individual and assisting tackles per player. Ronnie Street led the Statesboro team with 18 tackles, James Hagan and Rufus Hendrix tied with 16 tackles each. Ted Cleary made 14, Hugh Rockett 13 and Larry Deal had 11 for the night. Ronnie Hendrix, Johnny Mink, Hutch Webb, and Al Blizard played well on defense also. In the five games thus far, Statesboro has held the opposition to 34 points while they have scored 73 points.

This week's game is here at Memorial Park Stadium on Thursday night October 13, at 7:00 p.m. Statesboro is host to Sylvia. The public is cordially invited.

The carrier recently visited Rome, Italy, where her crew was offered the opportunity to see the 17th Olympic Games and receive a Papal audience.

# 'MissStatesboro' to be named Oct. 29

The Statesboro Junior Chamber of Commerce announces today that plans are well under way for the holding of the Miss Statesboro Pageant on October 29, 1960, at the W. S. Hanner Building at Georgia Southern College.

Trophies have been ordered for the occasion and will be awarded to the following winners: Miss Statesboro, Miss Talent, Miss Bathing Suit, Miss Evening Gown, and Miss Congeniality. Miss Congeniality will be selected exclusively by the contestants. It has been pointed out that according to the rules as set forth by the Miss America Pageant, that twice as many points are given to the talent aspect of the pageant as any other single item.

The pageant will be held in conformity with the Miss America and Miss Georgia roles and the Miss America programs have already been ordered. The judges have already been selected and their names will be announced later.

## Scotty Anderson and Denver Ward show FFA purebred champs

Scotty Anderson showed the grand champion and won a cash prize of \$25 in the Future Farmers of America Purebred Hog Show held at Southeast High School on Wednesday night, October 12. He is the son of Mr. and Mrs. O. L. Anderson.

## Everett Williams to head Girl Scout campaign

Area Girl Scout Officials today announced that Everett Williams of Statesboro would head the annual Girl Scout Fund Drive for Bulloch County. Mr. Williams is a lifelong resident of Bulloch County, a former Chairman of the County Board of Education, and now serves on the Board of Regents of the University System and is Chairman of the Statesboro Recreation Board.

Mr. Williams is active in all programs affecting the young people of Bulloch County and scout officials were high in praise of his consent to serve as Chairman of the Drive.

Mr. Herman Bray, Cashier of the Sea Island Bank in Statesboro has been named by Mr. Williams to act as Treasurer of the fund campaign.

"I'm sure that the people in Statesboro and Bulloch County want very much to continue the very fine work being done in our area for our girl scouts," Mr. Williams stated. He praised the work being done in the Council by the volunteer workers and expressed hope that in the near future other areas in the county could be reached which do not now have a girl scout program.

In Statesboro more than 200 girls are active in the scouting program under the supervision of some 25 volunteer leaders.

First through fifth place winners in the Hampshire-bred were Larry Lee, Cissy Fordham, Edward Rigdon, Phillip DeLoach, and Terry Ansley.

Poland - China winners were Anderson, Jerry Lanier, Del Beasley, Jerome Groover, and Jimmy Hayes.

Frank Ruzier showed the top Spotted Poland China. Other winners were Dean Hendley, Jerry Frost, Charley Royal, and Gerald Edelfield.

Duroc Jersey 1 winners were Denver Ward, Raymond Waters, Tommy McElben, and Jerry McCorkle.

Boar winners were Jimmy Cannady, Larry Thompson, Bobby Wilson, and Denver Ward.

The show was sponsored by the Farm Bureau chapters of Brooklet, Neels, Sifton, Denmark and Esia and businessmen and friends in these communities.

A total of \$365 was awarded as prizes to twenty-seven winners. First prize in each class was \$15, second \$12, third \$10, fourth \$8, and fifth \$6.

A supper was served and the supper committee was assisted by members of the Future Homemakers of America girls of SEBH.

Approximately 850 people attended the show.

**CIGARETTE MANUFACTURER SELECTS HERALD FOR ADVERTISING**

For the first time in the 23 years of publication, The Bulloch Herald has been selected along with other weeklies within the area to advertise for R. J. Reynolds Tobacco Co., makers of Camel cigarettes.

The editors of The Herald feel that our advertising columns afford our advertisers the best media available.

## An Editorial

There's more to the November 8 General Election than voting for candidates who were nominated in the Democratic Primaries.

There will be nineteen Constitutional Amendments which citizens will be called upon to express approval or disapproval.

The chances are slim that you will take time while standing in the voting booth on November 8 to read and study each of these nineteen Constitutional Amendments before voting for or against each one.

We believe that it is in the interest of our community and Georgia at large to focus attention now on Amendment Number Ten which will read like this on the ballot: This is an Amendment:

"... to provide that the Commissioner of Agriculture shall be ex officio a member of the Board of Regents of the University of Georgia."

If approved this will mean that the Commissioner of Agriculture will automatically become a member of the Board of Regents, and the Board will then consist of sixteen members.

This means that "a political office" will be given a place on our Board of Regents, since the amendment specifies that "the Commissioner of Agriculture shall be ex officio a member of the Board of Regents of the University of Georgia." There's no assurance given in the amendment to the people of Georgia that we'll always have a Commissioner of Agriculture to measure up to the stature of the present Commissioner.

It would be disastrous to ratify this amendment, thus providing state politicians with a tool with which to begin the process of undermining the effectiveness of the Board.

This means much to us here in Statesboro and Bulloch County, as well as to all the state of Georgia.

The record of the present fifteen-member board has been excellent. To introduce a sixteenth member whose membership is based upon the uncertainties of politics would breed confusion and weaken the very agency upon whose future our higher education system rests so heavily.

This is our carefully considered position. We hope that it is yours.

We do urge you to think carefully on it before you vote on it November 8.

## Revival begins at Immanuel Baptist Church

Revival services will begin on Sunday, October 23 and continue through Sunday, October 30, at the Immanuel Baptist Church, Brooklet.

The Rev. Cecil Peacock of Bartow, Florida, will be the guest speaker. Services will be at 7:30 each evening. The pastor of the church is the Rev. Franklin Williams.

## Federal funds for new Armory to be released this fiscal year

Mayor W. A. Bowen has announced that federal funds for the proposed new Statesboro National Guard Armory will be included in the new money released by the Bureau of the Budget to the Department of Defense.

"A high authority in the Defense Department has assured me that federal funds for the Statesboro Armory will be released by the Bureau of the Budget during this fiscal year," he said.

The Mayor said that the total cost of the Armory is expected to be around \$240,000 with the federal government putting up half of this amount.

The rest of the cost will be furnished by state and local funds which the City of Statesboro and Bulloch County already have available and earmarked for the Armory.

Mayor Bowen recalled that Georgia's Adjutant General, George J. Hearn, had assured local officials that as soon as the federal funds are provided, the state will put up its share of the money.

On receiving the new information about the availability of federal funds, Mayor Bowen immediately wrote Governor Ernest Vandiver that the City of Statesboro and Bulloch County had their share of the money ready and that he was most anxious for the state of Georgia to expedite the payment of its share as soon as the federal funds were released.

The total gross income of these tourist facilities is \$6,607,300 a year.

Five hundred and fourteen citizens of this community are employed in the tourist industry with a weekly payroll of \$24,520, to average \$42.00 per week per individual. There are 234 male employees and 280 female employees. These figures do not include salaries or drawing accounts of the owners.

"This weekly income of \$21,520 is spent right here in Statesboro," Mr. Gibson pointed out. "It buys a lot of clothes, a lot of furniture, a lot of many things," he added.

These figures, carefully compiled, indicate that the tourist industry touches nearly every segment of the local economy. Mr. Gibson pointed out, "It is one of the community's most important industries," he said.

Statesboro has a good reputation with tourists who use these federal highways and it is desirable that we continue to build that good will.

"I'd that good will," he said. "It's a lot of money, a lot of things," he added.

The city is now completing a one and one-half million dollar water-sewer expansion and improvement program including a new water tank all new sewer disposal plant. The water supply is one of the finest in the southeast with the water tested regularly by the state department of state. It is bacteria free and chlorinated. The program is financed by revenue certificates, constituting no general obligation against the municipality.

The recently published financial statement of the city shows that the city is in an excellent financial position, indicating good management and good administration. The city is operating within its budget and in the black. The annual budget, including utilities is in excess of \$500,000.

## Tourist industry is 'big industry' here

The impact of the tourist industry on Statesboro and Bulloch County was revealed in figures released this week by Mr. Albert Gibson, executive secretary of the Statesboro and Bulloch County Chamber of Commerce, furnished him by Mr. Charles Bryant and Mr. Ralph White. Mr. Bryant is a member of the board of directors of the Chamber of Commerce and is chairman of the tourist committee.

Working over a period of six weeks Mr. Bryant and Mrs. White carefully checked with every business along U. S. 301, U. S. 80 and U. S. 25 which is in direct contact with tourists using these highways. The figures are not estimates but are from the books of those cooperating in the survey.

The figures reveal that there is a total of \$5,797,000 invested in tourist facilities in Statesboro including seventy-three hotels, motor courts, hotels, restaurants and service stations. There are 450 motel units, 103 hotel rooms, ten restaurants (including three barbecue units) and service stations.

The total gross income of these tourist facilities is \$6,607,300 a year.

DR. JAMES T. BURRELL

## First Baptists begin revival on October 23

The Fall Revival at the First Baptist Church, Statesboro, will begin Sunday, October 23, with Dr. James T. Burrell of Bainbridge, Georgia as guest preacher, and Bernard Morris of Statesboro as song leader.

Services will be held twice daily, at 10:00 a.m. and 7:30 p.m., at the regular hours on Sunday, at 10:00 a.m. and 7:30 p.m., during the week.

Dr. Burrell is in his eighth year as pastor of the First Baptist Church of Bainbridge. He is a graduate of Mercer University and the Southern Baptist Theological Seminary, Louisville, Kentucky. Prior to his Bainbridge pastorate he served as pastor of the First Baptist Church of Fargh, Georgia. He is a member of the Georgia Baptist Executive Committee and has held a number of other denominational positions.

Bernard Morris is a native of Statesboro and received his education at Georgia Southern and the University of Georgia where he was a member of the Glee Club. He is in business with his father locally and has served as Director of Music at the First Baptist Church for the past year and a half.

The week day services will be broadcast over the local radio station WWSN. The morning services during the week will be for only 30 minutes each morning beginning at 7:30 and concluding at 8:00. The church nursery will be open for the Sunday services and for the night services throughout the week.

All members and friends of the First Baptist Church are hereby extended a cordial invitation to attend these services.
